

OUR PLEDGE

As an NZIFH member,
we pledge:

To **empower** - so it's you
making the decisions.

To **support** - because we
understand grief.

To **advise** - so that you create
a farewell to cherish.

To **respect** - all cultures,
religions and peoples.

To **be transparent** - so there
are no unexpected costs.

"We believe in the highest standards of professionalism, integrity and ethics. We promote a spirit of co-operation, support, service and excellence through ongoing education, to benefit the communities we serve"

ABOUT US

New Zealand Independent Funeral Homes (NZIFH) is an association of funeral homes throughout New Zealand, formed to promote amongst its members the highest standards of professionalism, integrity and service.

Our motto is
“SETTING THE STANDARD”

All NZIFH Funeral Homes are independently family owned and operated, with no overseas or corporate connections.

When engaging the services of a NZIFH funeral home, you will receive caring, personal service from experienced funeral directors.

NZIFH Funeral Homes support ongoing professional development for their staff and are training subscribers to the Funeral Services Training Trust (FSTT).
