

NO FUNERAL CREMATION - Quiet Goodbye

The NO-Funeral - Quiet Goodbye is designed for those who prefer the simplicity of a cremation without the formality of a traditional funeral. It offers a gentle, intimate space for your inner circle to say farewell on your own terms. You can choose to say your final goodbyes privately at the place of death before we take over, or arrange a quiet, set time to gather in the funeral home lounge for up to an hour to say your final goodbyes there. Afterwards, our staff will respectfully handle the cremation as there is no attendance at the crematorium with the cremation taking place at an undisclosed time that day. If you want to attend the crematorium, please see our 'Informal Farewell' package.
